PERSONALIZED LEARNING DESIGN LAB

AT PAST INNOVATION LAB, 1003 KINNEAR RD., COLUMBUS, OH 43212

THURSDAY, MARCH 17, 2016

8:30AM – 4:00PM

Personalized Learning bridges supports to individualize student learning through path, pace, people and place - be it mastery / competency based learning, blended learning, or problem-based learning.

School or District Leadership Teams include:

- Superintendent
- Curriculum Leader
- Treasurer
- Principal
- Teacher
- Technology Leader

Supporting Partners

- **The Learning Accelerator**
- **Mastery Design Collaborative**
- **Pillar Technology**
- **PAST Innovation Lab**

Prototype your school or district's personalized learning initiative.

Engage with cutting-edge experts in personalized learning across education, business, and non-profit industries.

Build local capacity to leverage existing human / financial resources to incubate and sustain personalized learning.

Develop strategies to be competitive in obtaining external resources (eg. Straight A and other grants).

PL Design Lab Team (up to 7) fee:

Early Bird: Until Feb. 19: \$300

Registration: Feb 20 – March 4: \$350

Late Registration: March 5-15: \$450

Additional team members @ \$50 each

COMPLETE THE [ONLINE APPLICATION](#) BY MARCH 4, 2016.
